SUPERFUND BRANCH

Dear Mr. Lehman:

Note previous request to provide Rapid Response support in letter dated March 12, 2004, under Solicitation Number DACA45-03-R-0052, at Vasquez Boulevard, I-70 Superfund Site. See enclosed "Final Performance Work Statement for Vasquez Boulevard I-70, Residential Lead and Arsenic Impacted Soil Removal, Denver, Colorado," dated March 17, 2004.

Please revise and re-submit the cost proposal, incorporating comments from negotiations including an electronic copy to:

Department of the Army
Corps of Engineers, Omaha District
ATTN: CENWO-CT (Pat Overgaard)
106 S. 15th Street
Omaha, NE 68102-1618

Thank you. If you have questions, please contact Mary Darling at (402) 293-2513 Mary.N.Darling@usace.army.mil or Pat Overgaard at (402) 221-3031.

Sincerely,

Mark R. Herse
Contracting Officer's Representative
